- 2.10.3 The NAIROBI CITY COUNTY will prepare minutes of the tender opening.

2.11 Clarification of Tenders

- 2.11.1 To assist in the examination, evaluation and comparison of Tenders the NAIROBI CITY COUNTY may, at its discretion, ask the Tenderer for a clarification of its tender.

The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.

2.11.2 Any effort by the Tenderer to influence the NAIROBI CITY COUNTY in the NAIROBI CITY COUNTY's tender evaluation, tender comparison or contract award decisions may result in the rejection of the Tenderer's tender.

2.12 Preliminary examination

Prior to the detailed evaluation of bids, the Procuring Entity will determine whether each bid is substantially responsive to the requirements of the bidding documents.

For the purpose of this Clause, a substantially responsive bid is one, which conforms to all the terms, conditions and specifications of the bidding documents without material deviation or reservation. A material deviation or reservation is one that affects in any substantial way the price, scope, quality, completion, timing or administration of the works to be undertaken by the bidder under the contract. Or which in any substantial way is inconsistent with the bidding documents, the Procuring Entity's rights or the bidder's obligations under the contract and the rectification of which would affect unfairly the competitive position of other bidders who have presented substantially responsive bids at reasonable price.

A bid determined to be substantially non-responsive will be rejected by the Procuring Entity and will not subsequently be made responsive by the bidder by way of correction of the non-conformity.

2.12.1 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its Tender will be rejected, and its Tender security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.

2.12.2 The NAIROBI CITY COUNTY may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Tenderer.

2.12.3 Prior to the detailed evaluation, pursuant to paragraph 2.23, the NAIROBI CITY COUNTY will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender documents without material deviations. The NAIROBI CITY COUNTY's determination of a Tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

2.12.4 If a tender is not substantially responsive, it will be rejected by the NAIROBI CITY COUNTY and may not subsequently be made responsive by the Tenderer by correction of the nonconformity.

2.13 Evaluation and Comparison of Tenders

2.13.1 The NAIROBI CITY COUNTY will evaluate and compare the Tenders, which have been determined to be substantially responsive, pursuant to paragraph 2.22.

2.13.2 The NAIROBI CITY COUNTY's evaluation of a tender will exclude and not take into account.

- a) in the case of goods manufactured in Kenya or goods of foreign origin already located in Kenya, sales and other similar taxes, which will be payable on the goods if a contract is awarded to the Tenderer; and
- b) any allowance of price adjustment during the period of execution of the contract, if provided in the tender.

2.13.3 The comparison shall be of the ex-factory/ex-warehouse/off-the-shelf price of the goods offered from within Kenya, such price to include all costs, as well as duties and taxes paid or payable on components and raw material incorporated or to be incorporated in the goods.

2.13.4 The NAIROBI CITY COUNTY's evaluation of a tender will take into account, in addition to the tender price and the price of incidental services, the following factors, in the manner and to the extent indicated in paragraph 2.23.5 and in the technical specifications:

- a) delivery schedule offered in the tender
- b) deviations in payment schedule from that specified in the special conditions of contract;
- c) the cost of components, mandatory spare parts, and service;
- d) the availability in Kenya of spare parts and after-sales services for the equipment offered in the tender;

2.13.5 Pursuant to paragraph 2.23.4 the following evaluation methods will be applied:

(a) Delivery Schedule.

- (i) The NAIROBI CITY COUNTY requires that the goods under the Invitation for Tenders shall be delivered at the time specified in the Schedule of Requirements. Tenders offering deliveries longer than the NAIROBI CITY COUNTY's required delivery time will be treated as non-responsive and rejected.

(b) Deviation in payment schedule.

Tenderers shall state their tender price for the payment on a schedule outlined in the special conditions of contract. Tenderers will be evaluated on the basis of this base price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. The NAIROBI CITY COUNTY may consider the alternative payment schedule offered by the selected Tenderer.

2.14 Contacting the NAIROBI CITY COUNTY

- 2.14.1 Subject to paragraph 2.21.2, no Tenderer shall contact the NAIROBI CITY COUNTY on any matter relating to its Tender, from the time of the Tender opening to the time the contract is awarded.
- 2.14.2 Any effort by a Tenderer to influence the NAIROBI CITY COUNTY in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

AWARD OF CONTRACT

2.15 Post-Qualification

- 2.15.1 In the absence of pre-qualification, the NAIROBI CITY COUNTY will determine to its satisfaction whether the Tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.
- 2.15.2 The determination will take into account the Tenderers financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Tenderers qualifications submitted by the Tenderer, pursuant to paragraph 2.12.3, as well as such other information as the NAIROBI CITY COUNTY deems necessary and appropriate.
- 2.15.3 An affirmative determination will be a prerequisite for award of the contract to the Tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the NAIROBI CITY COUNTY will proceed to the next lowest evaluation tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

2.16 Award Criteria

- 2.16.1 Subject to paragraph 2.10, 2.23 and 2.28 the NAIROBI CITY COUNTY will award the contract to the successful Tenderer (s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the Tenderer is determined to be qualified to perform the contract satisfactorily.

2.17 NAIROBI CITY COUNTY's Right to Vary Quantities

- 2.17.1 The NAIROBI CITY COUNTY reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the schedule of requirements without any change in unit price or other terms and conditions.

2.18 NAIROBI CITY COUNTY's Right to accept or Reject Any or All Tenders

2.18.1 The NAIROBI CITY COUNTY reserves the right to accept or reject any tender, and to annul the Tendering process and reject all Tenders at any time prior to contract award, without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Tenderer or Tenderers of the grounds for the NAIROBI CITY COUNTY's action.

2.19 Notification of Award

2.19.1 Prior to the expiration of the period of tender validity, the NAIROBI CITY COUNTY will notify the successful Tenderer in writing that its tender has been accepted and simultaneously notify the unsuccessful tenderer's of the fact.

2.19.2 The notification of award will constitute the formation of the contract.

2.19.3 Upon the successful Tenderers furnishing of the performance security pursuant to paragraph 2.31, the NAIROBI CITY COUNTY will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.14.

2.20 Signing of Contract

2.20.1 At the same time as the NAIROBI CITY COUNTY notifies the successful Tenderer that its tender has been accepted, the NAIROBI CITY COUNTY will send the Tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.20.2 Within thirty (30) days of receipt of the Contract Form, the successful Tenderer shall sign and date the contract and return it to the NAIROBI CITY COUNTY.

2.21 Performance Security

2.21.1 Within fourteen (14) days of the receipt of notification of award from the NAIROBI CITY COUNTY, the successful Tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance security Form provided in the tender documents or in another form acceptable to the NAIROBI CITY COUNTY.

2.21.2 Failure of the successful Tenderer to comply with the requirement of paragraph 2.30 or paragraph 2.31 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the NAIROBI CITY COUNTY may make the award to the next lowest evaluated or call new Tenders.

2.22 Corrupt Fraudulent Practices

2.22.1 The NAIROBI CITY COUNTY requires that Tenderers observe the highest standard of ethics during the procurement process and execution of contracts. In pursuance of this policy, the NAIROBI CITY COUNTY: -

(a) defines, for the purpose of this provision, the terms set forth below as follows: -

- (i) “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of the public official in the procurement process or in contract execution; and
- (ii) “Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the NAIROBI CITY COUNTY, and includes collusive practice among Tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the NAIROBI CITY COUNTY of the benefits of free and open competition;
- (b) will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded any contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or executing a contract.
